5.11) Mailboxes as per your Covenants & Restrictions—

All mailboxes shall be located at the street, immediately adjacent to the driveway and/or as the U.S. Postal Service determines. The Architectural Review Committee has selected acceptable mailbox structures for use throughout the development. Included with the mailbox structure will be the address plate which shall be affixed to only the mailbox structure. Other attachments, if any, will be permitted if approved by the Architectural Review Committee. There shall be only one mailbox structure permitted per lot.
